Dear Sir or Madam:

Thank you for contacting the National Personnel Records Center. We are pleased to respond to your request for Separation Documents and Personnel Records by providing the enclosed complete personnel record.

Separation documents may include the following information: the type and character of discharge, authority and narrative reason for separation, reenlistment eligibility code, and separation program designator/number. If you require a copy of the separation document that does not contain this information, a "*deleted*" copy must be requested from this Center. A seal has been affixed to the separation document to attest to its authenticity.

The Privacy Act of 1974 does not permit the release of a social security number or other personal information to the public without the authorization of the veteran concerned. Therefore, if applicable, personal data pertaining to other individuals have been deleted from the enclosed documents.

If you have questions or comments regarding this response, you may contact us at 314-801-0800 or by mail at the address shown in the letterhead above. If you contact us, please reference the Request Number listed above.
